

It NonStop

DataArt

IT NonStop is a series of conferences organized by DataArt, a global technology consultancy that designs, develops and supports unique software solutions. IT NonStop conferences will be held in 5 cities across Poland, Ukraine, and Russia. Each of the conferences focuses on a particular aspect of IT development, and they are all dedicated to specific projects and practical solutions.

AUDIENCE: Developers, project managers, IT companies, students, business analysts

WHERE: Poland, Ukraine, Russia

LANGUAGES: English, Polish

IT Travel Trends

Personalized customer service, chat bots, online travel concierge services, they all transform the travel and hospitality industry. But further business development is to a large extent dependent on the application of the newest technologies. At the conference we will talk about Artificial intelligence, blockchain, machine learning, and conversational interfaces, as well as other IT solutions that drive changes in the travel sector.

18th of November
Silver Conference Center,
plac Konstytucji 3 Maja 3

OUR PARTNERS

The partners of IT NonStop are companies interested in reaching to the IT crowd: educational institutions, IT companies, media and many others. Partners will have the opportunity to tell hundreds of IT specialists with high incomes about their company.

- Programista • Crossweb • Outsourcing&More
- Outsourcing Portal • DailyWeb • Geek Girls Carrots
- Women in Technology • Bulldogjob • 4programmers • Litchi

DataArt (www.dataart.com) is a global technology consultancy that designs, develops and supports unique software solutions, helping clients take their businesses forward. Recognized for their deep domain expertise and superior technical talent, DataArt teams create new products and modernize complex legacy systems that affect technology transformation in select industries.

Since 1997, DataArt has built a scalable and resilient operation: proprietary R&D, strong financial position, solid infrastructure, and outstanding development teams in the U.S., UK, Central & Eastern Europe, and Latin America.
